

QUESTIONS TO INSPIRE YOUR MOTIVATION VIDEO

Make a recording of your motivation. Use the questions below for inspiration. Use your own words (no ChatGPT).

- Did you study music before? (what, where, with whom, level, degree?)
- Why do you want to start/continue your music studies at RCA?
- What/Where did you study until now?
- Do you intend to combine your studies with a job or other studies?
- Do you know the mission/vision of the music programme? What attracts you in them?
- Are you aware of the following aspects of the music programme: international and interdisciplinary context, and entrepreneurship? Can you explain?
- How do you do research on your artistic practice at the moment?
- Who are your role models? How do you see your professional career?
- Do you compose anything yourself? If so, which style? Are you able to improvise?
- Which other art forms have your interest? Do you have any other interests?
